

Bantam Curlers' Treat List

After curling, the curlers are provided with a treat consisting of a drink and a snack. Traditionally, this has been provided by the families of the curlers. The following is a treat schedule for the year. If you know that you will not be attending curling on the date you are scheduled to bring treats, please let us know and we will reschedule your day. Please note that treats should be nut-free and should be enough for 30 curlers as we may have junior members helping fill out the Bantam section on any given day. We encourage you to take home any leftovers. Thank you, in advance, to all the curlers and their families for their support of this program.

Dave and Bianca Mason (905)472-4396
